**Task:**

Read the quote from the Second Amendment and look up words you do not understand in a dictionary.

***'A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed'.***

- How did people live in the USA at the time the Second Amendment was written?
- What did people have to fear back then compared to now?
- Do you think 'the right to bear arms' covers the people as a whole or individuals?
- What do you think 'arms' refer to?

- e. Do you think people in Denmark should have the right to bear arms?
- f. What are the advantages and disadvantages of carrying weapons?
